

You're invited: Community Open House & Presentation

*Proposed New Affordable Apartment Community
22801 South Vermont Avenue*

Please join us to learn more about PATH Ventures and its work building supportive housing communities. The evening will include:

- An Open House, where you can informally meet the team and learn about our work
- A presentation, which will include more information about PATH Ventures and what supportive housing is
- Discussion groups, where we will collect your questions and comments

Time & Place

Wednesday, September 12th
6:30– 8:30 pm

Normandale Recreation Center Gymnasium
22400 Halldale Ave, Torrance, CA 90501

All are welcome. Snacks and beverages will be provided. To help us with planning, please RSVP to **Carley Berkowitz** at carleyb@epath.org or **(323) 644-2238**.

Save the Date: In October, we will hold a follow-up meeting to share more details about the proposed project, answer questions, and hear your feedback.

PATH Ventures is a leader in creating high-quality, affordable and stable homes for people struggling with the high-cost of housing, including families and individuals experiencing homelessness. We advance our mission of ending homelessness for individuals, families and communities by building and operating affordable rental homes paired with on-site services that support residents in achieving stable, healthy, and productive lives. Founded by PATH in 2007, PATH Ventures' presence is now statewide, with over 1,100 affordable homes constructed or in the pipeline.
