CM Laura Emdee and Mayor Bill Brand were absent

1. Were any issues on the agenda relevant to any LWV local or state program positions? Please be specific.

6th Cycle RHNA Housing Element (HE) goes against LWVC housing and AFFH policy positions.

2. Do you recommend local League action on any of these issues?

If yes, what action do you recommend? We write a letter to HCD and RBCC opposing this version of the HE showing how it would place over 90% of the low-income homes in the attendance boundaries of Title I schools in North Redondo Beach that already serve several times more poor children as schools in South Redondo Beach.

3. Other observations?

We may want to take action and support BCHD, original plan with 600 senior homes, continuum care
