# THANKS FOR ATTENDING THE NON-EVENT EVENT!

## Thank You Dear Members for your non-event contributions

With these additional funds we will send two delegates to the National Convention in Washington DC this June. Last year we awarded three scholarships to deserving students from Leuzinger High School. Two of them are attending CSU's and one is attending UC Irvine. Due to your generosity we plan to continue this scholarship program which has helped our students with books, supplies and even a computer.

**Advocacy Interest Groups**

Interested in joining a State Interest Group? [Click here to check out](#) the wide range of groups available.

**What are Interest Groups?** Interest Groups include members of multiple local Leagues who are interested in a specific topic. They provide a forum for members to support each other in exploring advocacy and educational work around their specific topic of interest, always in line with California League [advocacy positions](#) and the [One Voice](#) policy. Members of an interest group can find and share resources, discuss experiences, and best practices, and provide support across local Leagues.

Advocacy Interest Groups are growing in the areas of Criminal Justice Reform, Healthcare, Housing and Homelessness, Climate Change, Water, and Immigration.

Please send Chynell Freeman an email ([cfreeman@lwvc.org](mailto:cfreeman@lwvc.org)) for assistance in joining a group.
